# HOW FRANCHISE PARTNERS & WE WORK TOGETHER

## Upfront Activity Franchise Partner

- Offline Marketing EV Charger Solution.
- To sell parts and products from respective office to given area.
- Appoint Associate Partners to generate quick business.

## Backend Activity TP Galaxy

- Promoting Online & Social network for generating leads.
- Quickly Complete all Installations given by Franchise Partners.
- Deliver all require product on time.
- Give regular updates to Franchise Partners.

# WHAT IS FRANCHISE?

Franchising is a system used by a company (the franchisor) that grants rights and licenses to Franchise to market a product or service under the Franchisor's trade names and shows the method of doing business. It is a system for distributing products or services through independent resellers. It is a format of mutual dependence that allows both the company and franchise to realize profit and benefits. In returns, the franchisee pays certain fees and agrees to company with certain obligations, typically set out in a franchise agreement.

# CUSTOMER FEEDBACK

Great teams to work with, complete satisfaction with the performance of the EV Charger, and happy to be a part of a clean environment. Thanks TP Galaxy.  
[Dipak Kale from Pune]

The installation process was indeed very good. I've been impressed with TP Galaxy performance throughout, and the people working for them did these jobs brilliantly.  
[Satish Dubey from Lucknow]

Absolute professional work, Complete installation, and proper setup at the best quality. Thanks to TP Galaxy.  
[Dinkar Sharma from Patna]

## Why EV is needed in India?

Environmental benefits. Another major advantage of owning an electric car is the positive impact it has on the environment. Unlike gasoline vehicles, electric cars produce zero emissions, which helps reduce air pollution. This is especially important in India, where air pollution is a major problem.
